

Minutes 1<sup>st</sup> Feb. 2021 better late than never!

11/13 members present. Regrets John and Christine.

- 1) Community projects meeting. Irma advised that 12 members from Kelowna clubs discussed jointly doing an unique project. Jack Degruchy had a project in mind but in the end no decision was made and a committee will come up with suggestions. Thanks Irma for attending and for moving forward with the P/Elect modules!
- 2) Ross reported that the district wants a resolution to allow our district governor to stand for another year. No objections and Ross and Howard will sign off on this.
- 3) Our district dues have been paid. Thanks Ross.
- 4) Kiwanis is still going strong and wondered if we wanted to send some members over!
- 5) Ken Kilcullen attended the marketing meeting and said it was the same old! Ken did note that Sunrise has brought in something like 12+ new members.
- 6) Grade 8 essay contest. Iain has spoken to Kielly and Sarah and they are ready to go! This contest takes a principle of Rotary and asks the students to do some research and write an essay. Discussion as to what the awards should be. Moved by Monica and seconded by Ken F. That we proceed and award 5 prizes of \$200.00. All in favour. Awards will have to be by Zoom! Date set for June 7th.
- 7) Radio Daze. We had trouble with Steve's audio but Steve will send out list of sponsors. Laurie can add to our website but would appreciate information on each sponsor.
- 8) Auction. No response from Kelowna Now. Ross will call Brenda Bell. Deferred for the moment. 10K in items is a big ask. If we don't proceed we have to deal with the items we already have. Or keep them for a fall trivia?
- 9) Speakers. There may be a speaker from Elkhart Lodge. Iain was definitely in support of Zoom speakers. Any suggestions?
- 10) Next meeting is the 15th at 5 pm.
