WILD FIRE RELIEF

- It has been suggested that and organized District Fund Raising Campaign is still under consideration. Members who want to donate to wildfire relief can do so on their own.
- Ross suggested that our District should research the model used by District 5360 (Alberta and parts of Saskatchewan) where Global Grants were obtained to provide loans to business owners in High River Alberta who were devastated by the floods in June 2013. Reference an article in the Rotarian August 2017 page 16.

NEW GENERATIONS COMMITTEE (Howard)

- Howard has arranged for representatives from Reach Out to attend our meeting on the 28 AUG 2017 to receive cheques
- A briefing on the newly established “umbrella organization” that is currently being developed to coordinate donations etc. to prevent duplication.

MOTION BALL – Christine BOISSEAU

- Christine made a very impressive and straight forward presentation about her participation with Motion Ball. Motion Ball is not for profit organization that raised funds and awareness supporting Special Olympics Canada. Volunteers team up with local young “Special Olympians” competing in a variety of sporting events. If any one wishes to volunteer contact Christine for more information.
